## Essay

Respond to the following essay prompt. Your essay should be 750-900 words long, word processed, and submitted on a separate sheet of paper. Prompts are intended to stimulate thought; you do not necessarily need to respond to each question.

## Quote

*“Great leaders ... inspire people to act. Those who are able to inspire give people a sense of purpose or belonging .... Those who truly lead are able to create a following of people who act not because they were swayed, but because they were inspired. Those who are able to inspire will create a following of people—supporters, voters, customers, workers—who act for the good of the whole not because they have to, but because they want to.”*

Sinek, Simon. *Start with Why: How Great Leaders Inspire Everyone to Take Action* (p. 6). Penguin Publishing Group. Kindle Edition.

## Prompt

Who or what inspires you? What does that motivation inspire you to **do**? Has this inspiration influenced your academic and career interests? Do you aspire to be a leader and inspire others to support your cause, or do you find more fulfillment supporting others whose leadership motivates you?
